HBMC029R

### *FDR Drive Lane Closures*

**Northbound Only - 72<sup>nd</sup> Street to 79<sup>th</sup> Street**

As part of the reconstruction of the E. 78<sup>th</sup> Street Pedestrian Bridge, it will be necessary to close lanes on the F. D. R. Drive from [11:00 p.m. on Tuesday evening, May 3 until 5:00 a.m. Wednesday morning, May 4 2011.](#) The purposes of this closure are to repair the Impact Attenuators, which are road safety devices that buffer impacts from vehicle contact, thereby protecting the driver, the vehicle, the bridge and workers; and to install lane delineators which guide vehicles away from the attenuators as vehicles approach the bridge. The closures will occur between 72<sup>nd</sup> Street and 79<sup>th</sup> Street.

**Tuesday night May 3<sup>rd</sup>

Wednesday May 4<sup>th</sup>**
